

SPECIAL EDUCATION SERVICES AGREEMENT (OUT-DISTRICT SERVICES)

This Special Education Services Agreement ("Agreement") is entered into by and between Partners in Special Education, a California Corporation (hereinafter referred to as "PSE") and William S. Hart Union High School District (hereinafter referred to as "Client") with respect to the following:

RECITALS

A. WHEREAS, PSE provides certain special education services to public and private educational organizations;

B. WHEREAS, Client is an educational organization that desires certain special education services; and

C. WHEREAS, Client desires to engage PSE to provide certain fee-for-service certificated contractors and other special education services for specific students being served at school-sites located outside of the William S. Hart Union High School District's boundaries as further described herein and PSE desires to provide such contractors and services;

D. WHEREAS, the parties are currently party to an hourly-rate Agreement for Special Education Services capped at \$400,000 annually that was entered into on August 20, 2015 ("2015 Contract") and the parties wish to terminate the 2015 Contract as of June 30, 2016, and enter into this new Contract Agreement effective July 1, 2016;

NOW, THEREFORE in consideration of the mutual promises and agreements set forth herein, PSE and Client agree as follows:

1. Services Provided Under this Agreement

a. For each student assigned to PSE under section 6 below, PSE will conduct student evaluations and reviews, assist in Client's development of individualized education programs ("IEP"), attend IEP meetings, and review each IEP's compliance with state and federal regulations. The foregoing are referred to as "General Services."

b. In addition to General Services, at Client's written request under section 6, PSE will also provide or procure certain instructional services ("Instructional Services"). Such Instructional Services are defined as: behavior intervention development and modification, special education instruction, counseling, speech and language services, and individual Designated Instructional Services ("DIS"), among others. The Instructional Services together with the General Services are collectively referred to herein as "Services."

c. At Client's request, PSE will provide certain additional services including consulting, speakers, and workshops, pursuant to the schedule as listed on Exhibit A, or as requested by Client.

d. All PSE employees providing fee for service special education Services, as described herein, shall be properly certificated in accordance with section 7.

2. Term.

The term of this Agreement will be for one year commencing on July 1, 2016 and, unless sooner terminated as provided herein, expiring on June 30, 2017. The Agreement shall continue in full force and effect for additional one (1) year terms, after the term of the Agreement, unless terminated in writing by the parties pursuant to Section 8 herein below.

3. Recordkeeping.

a. PSE will record student attendance for Instructional Services performed by PSE under this Agreement. PSE tracks student attendance to these appointments on a monthly basis and, upon request, can provide Client with reports within fifteen (15) business days after month end.

b. Except for PSE's obligation to record and, on request, report student attendance to appointments under 3(a) above, Client will be responsible for maintaining all school attendance records for students who receive services from PSE under this Agreement. Nothing in this Agreement obliges PSE to track or calculate the Client's general average daily attendance.

c. All cumulative files, IEP, and health records of Client's students shall be Client's property. Upon termination of this Agreement, PSE will deliver such records to Client.

d. PSE is entitled to inspect and copy any record or file relating to the provision of special education services to any of Client's students to whom PSE is providing or has provided Services. Such inspection and copying will be reasonably necessary to PSE's provision of Services under this Agreement or to PSE's evaluation or defense of any claim, actual or threatened, that relates to PSE's provision of Services. Any inspection or copying under this subsection will comply with applicable privacy laws including the Family Educational Rights and Privacy Act.

e. At Client's request, PSE will assist Client in complying with any state or federal government audit. In the event such assistance is requested, then PSE time incurred in providing such assistance shall be billed to Client as an administrative expense pursuant to the schedule attached as Exhibit "A."

4. Payment for Services.

a. In consideration for the Services provided by PSE, Client will pay PSE up to the Agreed Upon Amount (defined herein below) on a fee for service hourly rate dependent on the individual provider of the requested service as listed on Exhibit "A" which is attached hereto. The Agreed Upon Amount is hereby defined as not to exceed Seventy Percent (70%) of all special education funding Client receives based on the average daily attendance of students being served at school-sites located outside of the boundaries of the William S. Hart Union High School District and receiving Services from PSE by way of this Agreement. Actual costs shall be based upon monthly invoices detailing the services performed by PSE or PSE employees. Currently, Opportunities For Learning is the only such school for which PSE is providing services on behalf of the Client under this Agreement. The parties shall amend this Agreement should they mutually agree to add additional schools that will receive services from PSE under this Agreement. PSE shall charge for time incurred by PSE employees in providing General Services,

Instructional Services, and/or other services requested by Client in writing and will also charge for time incurred for activities undertaken by PSE employees to provide such services to Client including, but not limited to, time incurred in meetings, correspondence, preparation of reports, telephone conferences, IEP development, and research, and preparation.

b. PSE reserves the right to charge Client and Client agrees to pay for ordinary and reasonable expenses, including but not limited to travel and administrative expenses, that may be incurred by PSE in providing Services to Client, and which shall be charted at the hourly rate of the PSE employee providing the Service. Any such charges will be pre-approved by Client.

c. On a monthly basis, PSE will provide to Client a detailed invoice identifying the date and nature of each of the Services performed by PSE or PSE employees, the time incurred, rate charged and related costs, if any. The monthly invoice will also include the total charge for the month. Invoices will be due and payable on a timely basis, but no later than thirty (30) days after the date of the invoice. Interest at the annual rate of 10% will be assessed on all amounts due, but not received, within thirty (30) days of the invoice date. PSE reserves the right to withhold services if invoices are not paid in a timely manner.

d. All scheduled instruction and therapy will be charged unless PSE receives notice of cancellation at least 24 hours in advance of the scheduled instruction or therapy. Notice of cancellation cannot be communicated on weekends or holidays.

e. If Client disputes a charge on a PSE invoice then Client must notify PSE in writing of the charge disputed and the basis of the dispute and such written notice must be delivered to PSE within fifteen (15) days of Client's receipt of the disputed invoice. Both PSE and Client shall use reasonable good faith efforts to resolve the dispute. If the dispute is not resolved within sixty (60) days of the date that Client delivers to PSE its written notice of the dispute, then either PSE or Client shall have the right to terminate the Agreement on twenty (20) days' notice under section 8(b) and seek damages or other legal remedy as authorized under this Agreement.

5. Individualized Educational Plans.

a. Client will provide PSE with all records reasonably necessary for PSE's provision of the Services. Such records include but are not limited to, IEP, cumulative files, health records, psychological and health reports.

b. Client will provide PSE with fifteen (15) calendar days advance written notice of all IEP meetings concerning students for whom Client desires PSE to render any Service. In the event Client is unable to provide fifteen (15) calendar days' notice, and a student enrolls at Client's authorized charter school, the Client's authorized charter school may request services directly from PSE upon that student's date of enrollment. Client agrees that this request from Client's authorized charter school to PSE will serve as official notification to begin service. PSE will notify Client of student enrollment and start of services.

c. Client and PSE will comply with all applicable laws concerning provision of special education services.

6. Commencement of Service to Students.

a. To assign a student to PSE for General Services under this Agreement, Client will provide PSE with written notice of the assignment, which written notice will provide the student's name, IEP and other information needed for PSE to render the General Services. Upon such assignment, PSE will contact parents, students and/or teachers, as appropriate in each case, for the purpose of commencing services. PSE will promptly notify Client in the event PSE is unable to provide the requested service. Client agrees to use any form PSE may provide to Client for the purpose of assigning students for provision of General Services.

b. To assign a student to PSE for the provision of Instructional Services, Client will provide PSE with written notice of the assignment, and specify the particular Instructional Service Client requests. Client will also provide to PSE the student's IEP and such other information needed for PSE to provide the requested Instructional Services. Such Instructional Services will be provided in accordance with the student's IEP. PSE will promptly notify Client in the event PSE is unable to provide the requested Instructional Services. Client agrees to use any form PSE may provide to Client for the purpose of assigning students for provision of General Services.

c. Client's authorized charter school is responsible, at no charge to PSE, for providing sites adequate for PSE to serve assigned students, which shall include the provision of space for PSE employees to work. PSE will provide Services at Client's school site and, if mutually agreed in writing, at other sites that are identified and provided by Client. If the student's TEP expressly requires Services at the student's residence or other location identified in the IEP, then PSE may provide service at the locations required by the IEP.

d. Client may request, and PSE may allow, specific employees of PSE to be assigned to Client for the provision of requested and contracted services for semester length periods of time. If Client requests such assignment of employees, Client shall do so in writing to PSE and shall furnish the PSE employee with an adequate workspace (including desk, parking, and secure file location) for the period of assignment. In the instance of assignment, the PSE employee shall continue to bill on the basis of hourly work completed, and shall not bill for time periods when he/she is not performing work on behalf of Client. The PSE employee shall be permitted to stay at the location of assignment in between working periods, but shall not bill for such time, unless performing work for the Client. The PSE employee assigned to a Client location may continue to perform services for other clients when on assignment, so long as the PSE employee is not "double-billing" time. The assignment of the PSE employee in no way creates an employer- employee relationship between the PSE employee and Client, and the PSE employee is an independent contractor.

7. PSE Qualifications.

a. All persons provided by PSE to perform the Services will hold all credentials and/or licenses required to perform the particular Service. PSE will provide copies of current valid California credentials and licenses for all PSE Personnel (as such term is defined below) providing Services to persons with exceptional needs.

b. PSE will make available to Client a list of all persons providing Services under this Agreement (all persons on such list are referred to as the "PSE Personnel" and the list of PSE Personnel is referred to as the "List of PSE Personnel"), which list will state each person's credentials and/or

licenses. PSE will notify Client in writing within forty-five (45) days of any credential or licensed personnel changes.

c. All PSE Personnel providing services to students under this Agreement will have signed the mandated reporter statement under Penal Code section 11165.5 and copies of the statements will be provided to Client.

d. All PSE Personnel providing services to students will undergo criminal background checks through the Department of Justice.

e. PSE Personnel will be comprised of PSE employees and contractors to PSE.

8. Termination.

a. Either party may terminate this Agreement for any reason by providing sixty (60) days advance written notice to the other party.

b. In the event Client disputes a charge under section 4(e), and such dispute is not resolved as provided in that section, then either party may terminate this Agreement on twenty (20) days advance written notice. Termination by Client under this subsection shall not relieve the Client of obligations under this Agreement to pay for services provided.

c. In the event Client fails to timely pay amounts invoiced under section 4(e), then PSE may provide Client with notice of such default and opportunity to cure the default. If the default, which may include interest, is not fully cured within ten (10) days of such notice, then PSE shall have the right to terminate this Agreement upon twenty (20) days advance written notice.

d. Either party may terminate this Agreement for cause on twenty (20) days advance written notice delivered to the other party, which notice shall specify the reason for the termination based on cause. Cause sufficient to terminate this Agreement shall include any material breach of the terms and conditions of this Agreement. Cause under this subsection (d) shall not include termination described in subsections (b) and (c) above.

9. Indemnity.

a. PSE shall defend, indemnify and hold Client, its directors, officers, employees and agents free and harmless from and against all claims, demands, suits, causes of action, losses, liabilities, costs and expenses (including, without limitation, attorneys' fees) incurred by Client as the result of any breach by PSE of its obligations under this Agreement or negligence of PSE.

b. Client shall defend, indemnify and hold PSE, its directors, officers, employee and agents free and harmless from and against all claims, demands, suits, causes of action, losses, liabilities, costs and expenses (including, without limitation, attorneys' fees) incurred by PSE as the result of any breach by Client of its obligations under this Agreement or negligence of Client or its agents.

PSE will provide Client with a certificate of insurance naming Client as an additional insured under such policy.
