

**WILLIAM S. HART UNION HIGH SCHOOL DISTRICT  
RESOLUTION NO. 16/17-32**

**APPROVAL OF THE USE OF JUNIOR HIGH SCHOOL PUPIL GRANT ELIGIBILITY  
FOR THE SAUGUS AND HART HIGH SCHOOL PROJECTS**

**WHEREAS**, the William S. Hart Union High School District (District) has been approved, and will be reviewed and updated, for new construction grant eligibility under the Leroy F. Greene School Facility Program (SFP) by the Office of Public School Construction and State Allocation Board (SAB), and

**WHEREAS**, the District has identified a need for new classrooms at Saugus and Hart High Schools (Projects); and

**WHEREAS**, Education Code 17072.35 stipulates how SFP grant funds can be expended and SFP Regulation Section 1859.77.3 stipulates that a district may request new construction grants based on eligibility derived at a different grade level than the proposed project; and

**WHEREAS**, the District has utilized all of its current high school eligibility for the new Castaic High School to maximize the state grants for that project leaving zero high school pupil grant eligibility for other high school projects in the District; and

**WHEREAS**, the District wishes to utilize junior high school pupil grants which have not been applied to other junior high school projects for the construction of the Projects.

**NOW, THEREFORE, BE IT RESOLVED** that the William S. Hart Union High School District does hereby affirm the following:

- The filing of an application under Chapter 12.5, Part 10, Division 1, commencing with Education Code 17070.10; and
- The District acknowledges that funds for the purpose of housing pupils at the junior high school level are being diverted to fund high school classrooms in these Projects; and
- The District's plan to house these junior high school students will be to accommodate them in existing junior high school classrooms throughout the District as sufficient teaching stations exist. By approval of the Governing Board, these students can be housed in existing junior high schools at a District loading standard of 32 students per classroom for the 7-8<sup>th</sup> grades versus the State loading standard of 27. The plan is further delineated in the attached housing plan; and
- The District acknowledges that the State has satisfied its obligation, pursuant to Regulation Section 1859.50, to house the pupils receiving grants in the Projects.

**PASSED AND ADOPTED** this 1<sup>st</sup> day of March, 2017, by the Governing Board of the William S. Hart Union High School District of Los Angeles County, California, by the following vote:

AYES: \_\_\_\_\_

NOES: \_\_\_\_\_
