Dear Dr. Vierra:

The California School Employees Association and its William S. Hart Chapter #349 (CSEA) present their initial proposal for a successor contract under the provisions of the current bargaining agreement. It is CSEA's intent to alter or amend the following articles as indicated, and present our proposals for public discussion in accordance with Government Code § 3547:

- **Article VII - Hours**  
CSEA intends to review and revise language to ensure it is clear, current and relevant.
- **Article VII - Pay and Allowances**  
CSEA's interests include negotiating a more favorable compensation and language for all employees that will reflect the current minimum wage increases.
- **Article X - Health Insurance**  
CSEA's interests include reviewing and revising language to the existing health and welfare benefits package for all employees.
- **Article XII - Vacation**  
CSEA intends to review, clarify, and potentially enhance the language regarding vacation. Includes Appendix C- Vacation Time
- **Article XIV - Transfers**  
CSEA intends to review and revise language to ensure it is clear, current and relevant.

CSEA reserves the right to withdraw, amend, or add to this proposal as necessary, in accordance with applicable laws. In the spirit of collaboration, additional articles may be reopened when mutually agreed upon by both parties.

As we respectfully await your response, please feel free to contact me with any questions or concerns via telephone at (818) 502-3850, or email at [jmorrow@csea.com](mailto:jmorrow@csea.com).
