

Animal Care Technologies • 2701 Hartlee Field Road • Denton, Texas 76208

Proposal to Provide Service

Animal Care Technologies Online Training is the most comprehensive library of high quality staff training videos available to the animal health care industry. Authored by experts and formatted to fit the time constraints of the busiest practice, ACT Online Training is as well received by employees as it is effective at increasing competence, proficiency, and profitability. Students in animal health care vocational preparatory courses benefit from utilizing the same resources widely used by veterinary practices for support staff training applications.

ACT for Educators Classroom Use Annual License

Standard services provided by ACT with annual classroom licensing:

- On-demand access with unlimited viewing for instructor and students
- Topics include animal hospital staff training for the entire veterinary support team- small animal, exotic, equine, bovine
- Robust learning management system (*turnkey options or easily customized*)
- Automated student progress reporting
- Classroom presentation use and individual student use of online training video library
- Online training course for students seeking to earn industry certification as a Certified Veterinary Assistant
- ACT Animal Health Care Team Training Certificate Course
- Accessible anywhere with access to high-speed internet connection
- Customer assistance and technical support during regular business hours, Monday – Friday from 8 to 5 Central

Optional services available with classroom licensing:

- AVImark Software training and certification course (*certification examination requires a fee per applicant*)
- Certificates of completion for industry-recognized ACT Animal Health Care Team Training Course
- Online administration of Certified Veterinary Assistant Certification Examination with instant score reporting for qualified applicants (*certification examination requires a fee, per applicant*)

Conditions:

- Standard classroom license period is twelve months.
