**RE: PROPOSAL FOR TESTING AND INSPECTION  
Placerita Jr High School PO P-17-01046 New Classroom Additions**

MTGL has been providing professional services for fabrication inspection. The volume of hours needed for the shop inspection have been more than what was originally expected. MTGL estimated the project without input from the fabricator and under estimated the time needed. The inspection was needed for an additional three weeks beyond the preliminary estimate to finish. MTGL is requesting an additional \$ 26,962.25 for professional services rendered.

Sincerely,  
MTGL, Inc.

Steven Koch  
Senior Vice President
