Freshmen Transition Survey

- Administrative team surveyed 56 9th grade students who currently have a D or F
- Historically, these students have done well in school
- Students have no “flags” in Infinite Campus
- Shared survey results with staff

Key Survey Findings

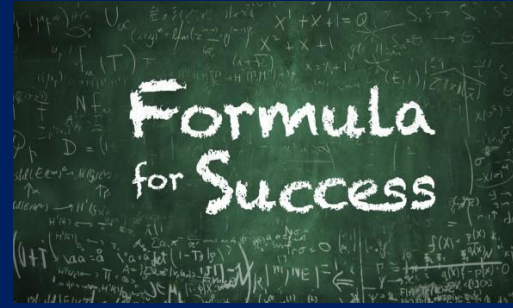

- 60% stated they are not managing time well
- 50% stated they are not staying organized
- 56% stated they are not studying for exams
- 56% stated they wish they had more structure
- 62% stated they are not involved with a club or activity on campus

Reflecting on Next Steps

- **9th grade teachers committed to using instructional time to teach organization.**
- Implement weekly goal setting or “planning for the week ahead” in all 9th grade classrooms
- **Develop a student planner targeted for 9th graders**
- Preview all clubs and activities with 9th graders during the 1st week of the semester
