

## **AMENDMENT**

### **MEMORANDUM OF UNDERSTANDING BETWEEN THE LOS ANGELES COUNTY WORKFORCE DEVELOPMENT BOARD AND MANDATED PARTNERS OF LOS ANGELES COUNTY'S AMERICA'S JOB CENTER OF CALIFORNIA (AJCC) SYSTEM**

#### **PHASE II**

This Amendment is entered on June 15, 2018 by and between the Los Angeles County Workforce Development Board (WDB) and the partners of the America's Job Center of California (AJCC) System for the County of Los Angeles (Partners), hereinafter collectively referred to as the "Parties."

#### **Recitals**

- A. WHEREAS the Parties wish to amend the Phase II Memorandum of Understanding (MOU), dated September 1, 2017, to incorporate regular, affiliate, and specialized AJCCs into the Infrastructure Funding Agreement (IFA) outlined in the MOU, in accordance with California Employment Development Department Directive WSD16-22, WIOA Phase II MOUs—Affiliate and Specialized AJCCs.
- B. WHEREAS the Parties wish to make additions, removals, and other changes to the listing of AJCC System Partners outlined in the Phase II MOU.
- C. WHEREAS the Parties wish to update outdated provisions and attachments in the Phase II MOU.
- D. WHEREAS the MOU dated September 1, 2017 will expire June 30, 2020.

NOW THEREFORE, the Parties hereby agree to amend the Phase II MOU as follows:

#### **Agreement**

1. **Term:** the effective term of this Amendment shall be June 15, 2018 through June 30, 2020.
2. **Revised Partner Agreement to Cost Allocation Methodology:** The following paragraph, found in the section titled *Infrastructure Funding Agreement* (beginning on Page 4), is hereby stricken and replaced with the following:

By signing this MOU, all Partners agree to the cost allocation methodology for infrastructure cost sharing as set forth in the section titled *Infrastructure Cost Allocation Methodology*. While both Colocated and Non-Colocated Partners agree to the cost allocation methodology, the requirement to contribute to infrastructure costs, at this time, only applies to: those Partners

that are physically colocated in a Comprehensive AJCC<sup>1</sup>; and those that act as local program administrators for mandated partner programs and fund subcontractors or sub-recipients which have a physical presence in an AJCC.<sup>2</sup> All Partners agree that when sufficient data is available, all Non-Colocated Partners will have the opportunity to review the State provided data to renegotiate this MOU to ensure that proportionate shares of infrastructure costs are properly distributed amongst Partners—regardless of whether they will be paid through cash, non-cash (in-kind), and/or third party in-kind contributions.
