Good Morning Dave,

I quoted this job 3 ways and ended up with 3 different results. Before going into greater detail I would like to give you the overall price to see if my pricing falls in line. If we are close, let me know and I will bend. This project would be overseen by me from start to finish and perfecting every step will be my top concern.

Here we go...

4/4 on insides

Bindery: collate and perfect bind

Special: none

Cost: \$41,500

52 must

Unit Price = \$11.86

Thank you,

Lamont Smith
