PROPOSAL # 12-02-19SK

Dear Sonia Pishehvar:

ACT is pleased to submit this proposal amendment to extend contract funds for your review and approval. ACT will provide requested environmental services including one or more of the following: consulting services, chemical relocations, chemical waste packaging, biological waste packaging, radioactive waste packaging, transportation, and disposal of packaged waste. An estimated cost for services appears below. Modifications to the pricing estimate, or additions to the scope of work which require pricing changes, will be included (as needed) in the form of an addendum titled Revised Pricing Schedule.
