

MEMORANDUM OF UNDERSTANDING
BETWEEN
LOS ANGELES COUNTY OFFICE OF EDUCATION
AND
WILLIAM S. HART UNION HIGH SCHOOL DISTRICT
FOR PARTICIPATION IN CENSUS OUTREACH

This Memorandum of Understanding, "MOU," is entered into by and between the Los Angeles County Office of Education (LACOE) and the William S. Hart Union High School District (District). LACOE and District may be referred to collectively as the "Parties."

RECITALS

WHEREAS, LACOE has received funding from California Complete Count - Census 2020 (CCC), through which LACOE will provide funding to local districts to engage in census outreach; and

WHEREAS, the purpose of the CCC effort is to engage in a statewide outreach and awareness campaign designed to ensure an accurate and complete count of all Californians in the upcoming 2020 Census; and

WHEREAS, a census that undercounts Californians could cost the State of California billions of dollars in federal program funding, including a loss of federal funding for school programs, and could affect political representation.

NOW, THEREFORE, in consideration of the terms, conditions and mutual covenants contained herein, the sufficiency of which are acknowledged, the Parties agree as follows:

1. Basis of Agreement

This MOU sets forth the District's rights and responsibilities as a recipient of Census 2020 outreach funding. Subject to the availability of funds, this MOU is effective from October 1, 2019, and shall remain in effect through June 30, 2020, and may be amended only by mutual written consent of the parties.

2. Fiscal

The District shall receive an allocation of \$2,000.00 for each District school listed in Attachment 1. These schools are designated as Hard to Count areas. These funds shall be used by District for Census 2020 outreach in the Hard to Count areas.

In exchange, the District shall perform from the required and optional District outreach activities listed on Attachment 2.

3. Indemnification

District agrees to defend, indemnify, and hold harmless LACOE from and against any and all demands, debts, liens, claims, losses, damages, liability, cost, expenses (including, but not by way of limitation, attorney's fees and costs actually incurred, whether or not litigation has commenced), judgments or obligations, actions, or causes of action whatsoever, for or in connection with injury or damage (including, but not limited to death) to any person or property to the extent that such injury or damage results from negligent acts by District or District's officers, employees, contractors, or agents. District shall be solely liable for the willful misconduct of District's officers, employees, contractors, or agents.

LACOE agrees to defend, indemnify, and hold harmless District from and against any and all demands, debts, liens, claims, losses, damages, liability, cost, expenses (including, but not by way of limitation, attorney's fees and costs actually incurred, whether or not litigation has commenced), judgments or obligations, actions, or causes of action whatsoever, for or in connection with injury or damage (including, but not limited to death) to any person or property to the extent that such injury or damage results from negligent acts by LACOE or LACOE's officers, employees, contractors, or agents. LACOE shall be solely liable for the willful misconduct of LACOE's officers, employees, contractors, or agents.

4. Independent Contractor Status of District

District is an independent entity and not an agent or representative of LACOE. District and its staff performing work under this MOU shall not at any time or in any manner represent that District or any of its officers, employees, or agents are employees of LACOE. District shall have sole responsibility for supervising and assigning work to District employees and/or volunteers performing work under this MOU, and for complying with all applicable laws.

5. Insurance

District shall maintain insurance coverage in an amount sufficient to cover any District employees and/or volunteers performing 2020 census outreach services for the District under this MOU. If the District's insurance plan does not extend Workers' Compensation Insurance and Automobile Liability Insurance Coverage to volunteers and it would be unreasonable or a hardship for the District to obtain coverage, the District shall require all volunteers to complete a Release and Waiver of Liability (see Attachment 3).

6. Equipment

For equipment purchased with State funds provided under this MOU in the amount of \$5,000.00 and above per unit price, title will vest in the State. For all equipment purchase of \$5,000.00 or more using State funds, District shall notify LACOE of the requested purchase, and the Parties shall:

- a. Submit a Request for Equipment Purchase prior to purchasing equipment to the assigned State Regional Program Manager (RPM).
- b. Once items have been purchased, submit a copy of the receipt and documentation of the serial number and model number with the invoice for item(s).
- c. In the event of theft, a report must be filed immediately with the California Highway Patrol. A copy of the report must be provided to the assigned RPM.
- d. At the conclusion of the MOU, District shall divest of purchased equipment as instructed by the assigned RPM.

7. District Cooperation with CCC Reporting

District acknowledges LACOE must submit reports and data to CCC regarding District outreach efforts. District shall maintain records of Census outreach events, which shall be provided to LACOE by completing the form available at <https://laoe.edu/censusreports> by the reporting deadlines. The parties acknowledge that District's census outreach records may be audited. In the event that District fails to maintain adequate outreach records, CCC may require the return of District funding provided under this MOU, for which District shall be responsible.

8. Entire Agreement

This document states the entire agreement between the Parties with respect to its subject matter and supersedes any previous and contemporaneous or oral representations, statements, negotiations, or agreements.

9. Execution

Each of the persons signing this MOU on behalf of a party or entity other than a natural person represents that he or she has authority to sign on behalf and to bind such party. If governing board ratification is required to bind District, District shall provide evidence of such ratification to LACOE.

10. Severability

If any provision of this MOU is held to be illegal, invalid, or unenforceable by a court of competent jurisdiction, or under present or future laws effective during the term of this MOU, such provision shall be fully severable. This MOU shall remain in full force and effect unaffected by such severance, provided that the severed provision(s) are not material to the overall purpose and operation of this MOU.

11. Modification and Amendments

This MOU may be amended or modified at any time by written mutual agreement of the authorized representatives of the signatories to this MOU. LACOE and the District further agree to amend this MOU to the extent amendments are required by an applicable law or policy issued by an appropriate regulatory authority if the amendment does not materially affect the provisions of this MOU. However, if new laws, policies, or regulations applicable to the educational institutions are

implemented which materially affect the intent of a provision of this MOU, the authorized representatives of the signatories to this MOU shall meet within a reasonable period of time, e.g. 20 business days from the date of notice of such change of law, policy, or regulations, to confer regarding how and/or if those laws, policies, or regulations will be applied or excepted.
