Special Terms

E-RATE FUNDING CONTINGENCY.

Customer may submit this Service Order and the Agreement to the Schools and Libraries Division of the Universal Service Administrative Company, (i.e., the entity appointed by the Federal Communications Commission to administer the Universal Service Program with respect to Schools and Libraries (E-Rate) funding) as part of any application seeking a federal subsidy or funding.

Customer is responsible for notifying Charter of its election of either the Service Provider Invoice (SPI) or Billed Entity Applicant Reimbursement (BEAR) discount method by May 15th prior to the applicable funding year. Customer must complete and return an E-Rate Discount Election Form to Charter prior to such date, or Customer will be deemed to have chosen the BEAR discount method for the funding year.

Upon Charter's receipt of appropriate notice that Customer is an approved E-Rate program participant for a Service, Charter will invoice Customer for the Service in accordance with E-Rate guidelines and/or rules. If Charter invoices Customer for a Service pursuant to any E-Rate program rates, discounts or credits in advance of receiving such notice and Customer's request for E-Rate program funding is denied, limited or reduced, Charter will invoice Customer and Customer will pay the difference between such invoiced amount(s) and the actual amount of the charges for the Service as described in this Service Order. Notwithstanding anything herein to the contrary, Customer's obligations under this Service Order shall remain in full force and effect in the event Customer withdraws or is removed from the E-Rate program, receives E-Rate program funding that is less than Customer's requested funding amount, or is denied E-Rate program funding for any Service described in this Service Order. For the avoidance of doubt, Customer is solely responsible for all charges for services, as described in this Service Order, that were installed prior to the E-Rate program funding year start date.
