Reference: Amendment #4 - Castaic High School Project Management Services – Project Completion

Dear Mr. Otavka,

Lundgren Management appreciates the opportunity to provide continued project management services for WSHUHSD's Castaic High School Project. Please see attached fee amendment to extend Lundgren staff to manage the on-going punch-list (buildings and site), in addition to the remaining work at buildings 700 and 900. The attached Fee amendment allows Lundgren to continue our services through an anticipated October 2020 completion (Construction and Close-out).

On behalf of the entire Lundgren team, we thank you for the opportunity to present our amendment proposal and look forward to the successful completion of the Castaic High School Project. If you have any questions, please feel free to contact me at 661-257-1805, or on my cell phone at 661-857-3576.

Respectfully,
