

Policy 3515: ~~School Safety And Security~~ **Campus Security**  
**Original Adopted Date: 03/01/2007 | Last Revised Date: 10/01/2019**

Status: ADOPTED

The Governing Board is ~~fully~~ committed to ***providing a school environment that promotes the safety of students, staff, and visitors to preventing violence and crime on school grounds.*** The Superintendent and staff shall strictly enforce all Board policies related to crime, campus disturbances, campus intruders, student safety, student conduct and student discipline. ***also recognizes the importance of protecting District property, facilities, and equipment from vandalism and theft***

The Superintendent or designee shall ~~establish~~ ***develop campus security*** procedures, ***which may be included in the District's comprehensive safety plan and/or site-level safety plans. Such procedures shall be regularly reviewed to reflect changed circumstances and to assess their effectiveness in achieving safe school objectives.***

#### **Surveillance Systems**

***In consultation with the District's safety planning committee, other relevant stakeholders, and staff, the Superintendent or designee shall identify appropriate locations for the placement of surveillance cameras. Cameras shall not be placed in areas where students, staff, or community members have a reasonable expectation of privacy. Any audio capability on the District's surveillance equipment shall be disabled so that sounds are not recorded.***

***Prior to the operation of the surveillance system, the Superintendent or designee shall ensure that signs are posted at conspicuous and targeted locations around school for securing records and funds and for protecting buildings and grounds. These signs shall state that the facility uses video surveillance equipment for security purposes and that the equipment may or may not be actively monitored at any time against vandalism and burglary during nonbusiness hours. The Superintendent or designee shall also provide prior written notice to students and parents/guardians about the District's surveillance system, including the locations where surveillance may occur and that the recordings may be used in disciplinary proceedings and/or referred to local law enforcement, as appropriate*** ~~also shall investigate ways that school grounds can be made more secure.~~

~~The Board encourages staff, parents/guardians and students at each school to work with local law enforcement agencies and other interested parties in developing a comprehensive school safety plan which includes strategies for preventing crime and violence on school premises.~~

***To the extent that any images from the District's surveillance system create a student or personnel record, the Superintendent or designee shall ensure that the images are accessed, retained, and disclosed in accordance with law, Board policy, administrative regulation, and any applicable collective bargaining agreements.***
