Ms. Lavizani,

The District confirms notice of the merger between Sterling General Security and ISL Security effective March 5, 2022.

Please note that we have an existing contract in place for security services for our Graduations held at College of the Canyon until 2024. The insurance requirements will need to reflect ISL along with the required DOJ.

This item will be taken to the Board as an amendment of the existing contract for Governing Board Approval.

The District looks forward to our continued business relationship.

Sincerely,

Collyn J. Nielsen, Ed.D.
