

**Addendum to 2021-2022 SPSA for Bowman High School**  
**Approved by SSC on 3/18/2022**  
**Submitted for Board approval on 4/13/2022**

**1. Goal 1.2 – Supplemental Technology: Boxlight ProColor 65” Mobile Tilt Bundles**

**Increase Funds for Supplemental Technology for Two Classrooms**  
**Total:\$10,962.00**

Supplemental funds to purchase two interactive flat panel, height adjustable mobile stand televisions. This will allow teachers in classroom 4 and portable E to bring table-top lessons, hands-on centers, and collaborative learning to their students. Students need access to technology in all classrooms. In today’s world, it is proven that students with a strong technology background will be more successful in their post-secondary pathways.

**Funding Source:** Funds in the total amount of \$10,962.00, as shown below:

<b>From Goal</b>	<b>Object Code</b>	<b>Description</b>	<b>Amount</b>	<b>Reallocated to Goal</b>	<b>Object Code</b>
1.2	4XXX	Current remaining balance	\$100.39	1.2	64XX
2.2	1130	1/6 Time Teacher Position for Parallel Academic Support	\$10,861.61	1.2	64XX

**2. Goal 1.3            Supplemental Classroom Supplies and Materials**

**Purchase Supplemental Classroom Supplies and Materials    Total:\$3,000.00**

This is a new goal to purchase supplemental supplies and materials for students, above the regular needs in classrooms. Since Bowman does not have a regular source of income like the comprehensive high schools to support all programs on campus, and Bowman parents are less likely to provide donations to the school, there is an inequity in resources to provide classroom enrichment opportunities and supplemental

programs. Often times, funding sources for supplemental supplies costs are depleted with no additional source options. These funds will support students with the necessary tools to complete projects and homework assignments in all content areas.

**Funding Source:** Funds in the total amount of \$3,000.00, as shown below:

*Note - Student TAP Card bus passes are being provided by the district through LCAP 2.9 supplemental funds*
