

2022-2023

Senate Bill 328

Signed October 13, 2019

# Legislated Start Times

---

- Junior High School: 8:00 am or after
- High School: 8:30 am or after

# ????? Questions ?????

---

- How will these schedule changes affect transportation?
- Have the new schedules been approved through the school site vote?
- Will the schedules need to be voted on again?
- How will this change affect extra curricular and co-curricular activities?
- How will this change affect concurrent enrollment at COC and CTE courses?
- How will this change affect courses that have traditionally been offered during the “zero” period?
- Are there any other potential consequences of this change?
