LOCATION DESCRIPTION

Acoustical panel installation in multiple portable classrooms

PROCEDURE

This proposal is based on the installation of acoustical panels supplied by Sound Management Group. Layout provided by Sound management group is proposed for avoiding all lights and other ceiling devices. minor adjustments may be needed for installation purposes.

This proposal is based on the installation in one portable classroom. Once the demo classroom is complete we will use the same cost per portable classroom.

All materials are to be provided by Sound Management Group.

JHN Coustic-Glo has been providing acoustical contracting services throughout Southern California since 1985. We are a WBE & SBE company. We appreciate the opportunity to bid this project for you.
