Bryan,  
April 2<sup>nd</sup> works for us. We have the order released to production with that delivery date. The truck will arrive at 7 AM and our install crew will be there to receive, offload, and begin installing. If this date needs to move out at all, please let me know no later than Friday, March 9<sup>th</sup>.

I have removed the aisle lights. Attached is our order acknowledgement. Final amount will now be \$123,450.64. Original contract amount was \$124,185.48 (difference of \$734.84).

Thanks

Jason,

Good morning, thank you for sending the drawings over. We are looking at seating installation to start by April 2 please confirm that fits within your fabrication timelines.

Also since the lighting was removed please provide a credit for that deleted option.

Regards,

Lance / Bryan –

Attached is the KI drawing with the field measurements applied. The seating layout worked out fine. We removed the aisle lights from our seats since there were lights located in the steps. Please confirm all is good with the attached drawing and let me know the date you want our seats to deliver to site and begin installing.
