RE: Solar Jobs at Four Sites

We submit this proposal for your consideration for Inspection Services for the solar projects at four different sites in the District. Sites included are as follows:

- Arroyo Seco Jr. High School
- District Offices
- Hart High School
- Placerita Jr. High School

Billed time not to exceed an estimated maximum of 1,350 hours (\$101,250.00).

These are estimated fees, based off of four months of construction, with 8 hour work days for our IORs. No construction schedule had been created at the time of this proposal.

Fees are broken down as follows: Two Class 2 inspectors full-time for a maximum of four months. We have anticipated that each inspector can inspect on two jobs concurrently. This is pending DSA's approval of this workload for each inspector. If DSA will not accept two inspectors covering all four jobs, then a new proposal will be created.

Fees will be billed hourly at:
\$75.00/hr Monday through Friday
\$112.50/hr (time and a half), Saturdays
\$150.00/hr (double time), Sundays and Holidays
