The following are proposed changes to our SPSA for funding year 2018/2019:

**Goal # and Goal Description:** 1.5 Goalbook Pathways Program Site License

**Description of Change:** Move the budget for Goalbook Goal 1.5 to Goal 1.6 for Nearpod Site License to complete the remainder of the year and through October of 2019.

**From Object Code:** 5000-5999: Services and Other Operational

**To Object Code:** 5000-5999: Services and Other Operational

**Amount:** \$ 5,625.00

**Amount:** \$ 5,625.00

**Reason for Change:** The Goalbook program has not been determined to be as useful as the Nearpod License. We have teachers who are using Nearpod almost everyday and the prepared lessons that are available are very functional for our curriculum and our staff have grown in their regular use of Nearpod lessons.

**Goal # and Goal Description:** 1.11 Additional Educational Supplies, Intervention Materials and Supplies

**Description of Change:** Move part of the funding for additional materials and supplies in 1.11 to 3.2 for the 11 buses for transportation for a seventh grade field trip.

**From Object Code:** 4000-4999: Books and Supplies

**To Object Code:** 5000-5999: Services and Other Operational

**Amount:** \$ 8,000.00

**Amount:** \$ 8,000.00

**Reason for Change:** We have not had a demand for additional materials and supplies and we need additional funds for transportation for a seventh grade field trip.

**Goal # and Goal Description:** 3.2 7th grade student field trips to museums

**Description of Change:** Move money from admission fees to transportation within the same goal (3.2).

**From Object Code:** 5000-5999: Services and Other Operational

**To Object Code:** 5000-5999: Services and Other Operational

**Amount:** \$ 3,415.00

**Amount:** \$ 3,415.00

**Reason for Change:** ASB is covering admission fees for the field trip this year so we need to use these funds to cover the extra costs of transportation.
